ZACHARY AND ELIZABETH FISHER HOUSE  
GIFT IS DEDICATED TO OUR GREATEST NATIO  
ASURE OUR MILITARY SERVICE MEN AND WOMEN  
AND THEIR LOVED ONES.

# From Our Executive Director

The Fisher House Inc. Board of Directors and staff work very hard to make the Fisher Houses a great experience for military members and their families. During the last few months, the staff worked to completely remodel Fisher House One. The \$200,000 project now has a modern look that invites guests into the house. Space was utilized to its maximum capability while maintaining a balance of comfort and feasibility. Please take a few minutes to look at the old and new photo of Fisher House one in this newsletter. As you become amazed at the renovation project, keep in mind Fisher House One was built in 1992 as the first Fisher House in Texas. Of course, credit for the project goes to the Board of Directors, House Manager Philip Harralson, Assistant House Manager Brittany Strout and the crew at Finishing Touches. Now, onward to the remodeling of Fisher House Two which is scheduled to start in June.

*Dwayne F. Hopkins, Executive Director*

The Fisher House Inc. Annual Golf Tournament is scheduled the 17th of August at the Republic Golf Course in San Antonio, Texas. Our goal is to have 144 players for the event. People in San Antonio keep talking up this golf tournament as one of the premier non-profit golf outings in San Antonio. The reason for this is because we want to have fun. Plus, it is a great day with friends in our community. Come out and take the opportunity to see our staff while playing a round of golf. Within the next 30 days, you can register on the Fisher House Inc. web page ([www.fisherhouseinc.org](http://www.fisherhouseinc.org)) or call Alexandra at 210-671-6029.

In addition, please mark the 17th of October on your calendar for the Fisher House Inc. Donor Appreciation Day event. This event is designed as an opportunity for community partners to meet members of our Board Of Directors at the Fisher Houses on Lackland Air Force Base. This year, we will have a live band, great food and military families from our Fisher House at the event. At the end of the Donor Appreciation Day event, you get to take an opportunity for a private tour of our incredible Fisher Houses. This will be really special this year as the renovation on House One and House Two will be complete.

I am extremely grateful for all of our volunteers and donors during the year. Each member at Fisher House Inc. understands that our mission would not be possible without dedicated volunteers and funds. In 2017, Fisher House Inc. had 1,378 volunteers contributing 4,816 volunteer hours to the mission at Fisher House Inc. In my view, that is simply amazing because it calculates to about 3.5 hours per volunteer. Projects like the house renovation, daily operations, the Internet for families and even the capability to provide an airport taxi would not be possible without great reliable donors. The bottom line is, making the mission at the Fisher House happen takes a village of donors and volunteers. Thank you to all those who have dedicated funds and volunteer time to our mission.

The Buksoontorn family wanted to give back to the Military and blessed our guests with five teddy bears with tags that has uplifting and inspiring messages. One of our guest, Aiyanna Nicole Spear, was ready to hug one of the cuddly teddy bears. Thank you Buksoontorn family for your kind and thoughtful gifts.

## PLAQUE WALL ADDITION

The Lackland Fisher House staff was pleased to install a new addition to the Lackland Fisher House gazebo plaque wall. The house staff was ecstatic when the Finck Cigar Companies plaque arrived. Finck Cigar has provided Fisher House Inc. with generous contributions in recent years to include fund-raising for Fisher House Inc. at their annual cigar event. This wall plaque is just a small gesture of gratitude from Fisher House Inc. and the staff for the assistance that has been provided to the military families that stay at the Lackland Fisher House.

This particular wall was created in 2008 for the purpose of enhancing the grounds well-known gazebo area. The plaque wall is a unique area and gives the guests a special place to imprint a loved one's legacy and remembrance. The wall also serves as a unique location for Fisher House Inc. to recognize and appreciate large contributions from our esteemed donors.

## GUIDE TO GUEST SERVICES

The staff at Lackland Fisher House are always striving to improve our guest's stay, and recently we completed a rather lengthy and complex project of providing a guide to guest service's book in each of the 26 guest rooms at the Lackland Fisher House.

The guest book is a twenty seven-page booklet with multiple color illustrations covering not only room information but also a plethora of information about the Lackland Fisher House, Fisher House Inc., Lackland AFB, JBSA and the Alamo Area. Guests can get information about transportation and local MWR resources to finding out a little history on Mr. and Mrs. Fisher to how Fisher House Inc. manages and runs one of the largest Fisher House campuses in Texas.

One of the unique properties of our room book is most of the photos used are from the Lackland Fisher House campus and houses. The staff is truly proud of this project. The next time you're in the area feel free to come by for a tour of one of the rooms.

## COMMUNITY CONNECTION

The Harmony School Of Excellence hosted the Boy Scout Troop # 473, located 2015 SW Loop 410, San Antonio, TX 78227. They came to the Lackland Fisher House to donate their popcorn sales to us this year. During their visit, they gave hand painted gifts, cleaned toys in the playroom and sang a Christmas music selection. They understood the importance in giving back to a non-profit; giving a gift of love to our guests and keeping the toys clean and sanitized. They are looking forward to returning to volunteering soon.

## BLESSINGS OF DONATION MANAGEMENT

One of the finest tasks for our staff at Lackland Fisher House is donation management. Not only is the staff blessed with receiving these fortunate donations on behalf of the guests and their families the staff are also blessed with meeting and working with some of the communities greatest and most generous donors.

A really unique donation that the Lackland Fisher House received was a hand-made Fisher House wall clock. One of our Lackland Fisher House past guest was so moved with the Fisher House mission that he hand-carved a wood wall clock with the Fisher House emblem. Other really special donations were Girl Scouts of America #132 who brought in Girl Scout cookies and household items. The girls truly loved the children's play areas bigger than life-size bears.

# FISHER HOUSE RECIPE

Froy Lockhoff-Taylor, a Fisher House guest, prepared one of his world-class recipe for all the guests and staff to enjoy. He also cooked fried rice and chicken adobe in a matter of a few hours. He enjoys cooking for everyone who is around him. He gave the Lackland Fisher House the recipe for lumpia for everyone to have. The recipe is below.

## LUMPIA INGREDIENTS

- Lumpia Wrapper
- 1 ½ lb. ground beef/pork/chicken
- chopped carrots
- 4 cloves of garlic
- ½ onion
- 1 tablespoon all purpose seasoning
- 1 teaspoon cayenne pepper
- 1 egg
- salt and pepper
- oil

*Froy Lockhoff-Taylor*

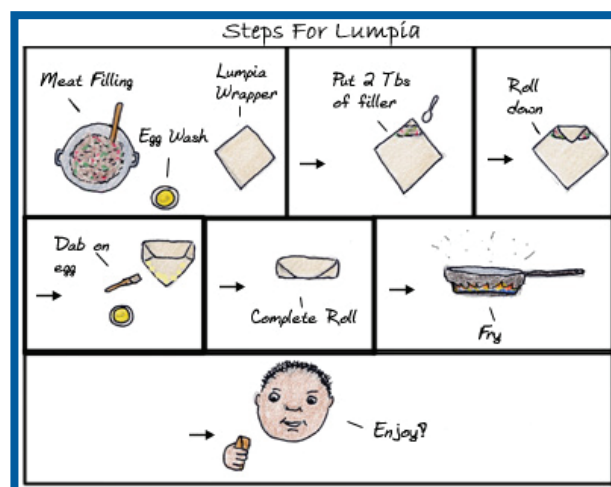

## PROCEDURE:

1. In a bowl, throw in protein of choice or combo of any of them
2. In the same bowl, throw in chopped carrots, garlic and onion
3. Season with salt and pepper.
4. Mix
5. Add the rest of the ingredients. This is the critical part. You have to mix everything well, or you'll have a few bland rolls. Put some elbow grease when mixing. You know that it's ready when you see your carrots evenly spread everywhere, and the meat is actually easier to mix since you've loosened it up earlier.
6. Lumpia wrappers usually come in 30 sheets. Peel them carefully one by one and make sure they have been chilling in the fridge. Once all 30 sheets are separated from each other, you're ready to roll.

7. Crack egg in small sauce dish and whisk. This will serve as your glue for the wrapper.
8. Follow the ancient art of egg roll rolling, before you fully roll it seal it with your egg wash and set aside.
9. Heat up oil in a standard deep pan. Make sure oil is about half an inch high. High heat for about 7min., then immediately switch to medium low. Wait for about a minute before you place your lumpias inside the pan. The first batch of lumpias will take longer to fry usually to cook to a golden brown (5 min. per side)
10. Place on a rack to drip excess oil.

## FURTHER INSTRUCTION:

The amount of meat per wrapper is usually about 2 tablespoons. Place meat in the middle of the wrapper

# INTERIOR DESIGN

One phrase comes to mind when you hear Fisher House, and that is “Home Away From Home.” Since 1991, Fisher House, Inc. has strived to make the houses a home away from home for guests. Here at Lackland, our best days are spent with past and current guests, who stop by to say hello. Guests come to share the impact our house had on their medical journey. Through these conversations one thing that past and current guest brought up was “warmth in staff” and the “safe retreat,” we gave the families at such dire times. We took these comments to the next level, and a conversation began about what more we could be doing in the Fisher name. Our House One was due for a fresh new look, and our guests were telling us exactly what they wanted without even knowing it.

A Fresh place to lay their head, a crisp new way sees life out of the hospital and warm place to call home while away from their actual home. The best way to deliver the requests was to work cohesively with Fisher House, Inc. Board of Directors and staff to find the right touch that would give our guests the oasis they so desperately needed during their time of healing. We researched and looked at many different avenues to compete for this project. The one thing that we needed was a “Finished Touch,” you see; the house needed to flow as a home while keeping in mind that our guests were fighting tough battles medically. The living room when you glanced over, needed to invite you in order to calm your medical stressors for the day. Dining room needed to communicate it was a place for warm conversation and friendship. The bedrooms, where so many of our guest spend confined to due to infection control, needed to give guests an enhanced oasis.

Luckily, we found just the right group for the project who could truly pull together all the intricate ideas and requests we had for Fisher House One. Finishing Touches, an interior-decorating firm in San Antonio brought so much to the table. Kelly Scully, owner and interior designer, felt compelled to take this project on, with a close relationship with the military ran in her family’s background. The pictures to the left really showcase the amount of time and sentiment this project arose from Finishing Touches. Kelly once said, “Anyone can select a fabric or pick a sofa, what we do is truly listen to the client. We excel in not only the design but the relationship.” Kelly and her outstanding team did just that.

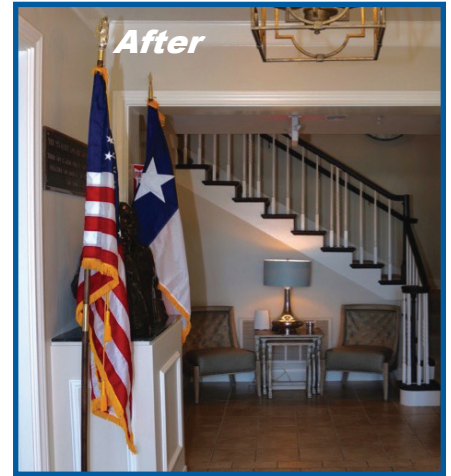

Board of Directors, staff and guests are forever grateful for this beautiful transformation!

GDC Technics is a renowned aircraft modifications and technology company that is globally approved. GDC Technics prides itself on next-generation modification expertise with a worldwide reach always serving its clients as a truly international player in aircraft modification. GDC Technics may be located all over the map, and we have one based right here in San Antonio.

The connection between GDC Technics and the Lackland Fisher House has grown over the years

while they continue to work in the aircraft industry they also want to give back in service. The past two years the GDC Technics has given five to eight families each year a night to the San Antonio Rodeo. The picture above does not do the time the families had justice. From the Grounds all day admission, to the mutt bustin' kiddos in the rodeo. The guests also saw a highly rated concert ending the night that left them in awe and beyond appreciated.

Thank you to GDC Technics for the continued support over the years and your gracious hospitality. Our guests are forever grateful for all that you do for our community.

## **Armed Forces Financial Network Donates “Thank You” Gift Cards to San Antonio Fisher Houses**

*Article by Danny Sanchez, SAN ANTONIO, TX*

*(L-R) Dwayne Hopkins, Executive Director Fisher House, Danny Sanchez, VP Marketing, AFFCU and Brian Posten, Business Development Officer, AFFFCU*

SAN ANTONIO, TX— The Armed Forces Financial Network (AFFN), along with on-base financial institutions on JBSA-Lackland, presented 80 “Thank You” gift cards valued at \$50 each to the JBSA-Lackland Fisher House and the South Texas VA Fisher House. The cards are intended to be distributed to military personnel and their families staying at the houses as they receive treatment at a local hospital. These annual gift cards presented by AFFN are a small “Thank You” for the service and sacrifice made by the men and women in our military and their families.

AFFN, in partnership with the Defense Credit Union Council (DCUC) and the Association of Military Banks of America (AMBA), has proudly supported the Fisher House Foundation and individual Fisher Houses in Germany and across the United States for the last 14 years through the community support program. It has provided over \$3,297,800.00 in direct support during that period. Every dollar distributed has assisted military service members, veterans and their families for care, comfort, and food while staying at a Fisher House.

Air Force Federal Credit Union (AFFCU) representatives made the presentation of the gift cards, which totaled \$4,000.00, to Dwayne Hopkins (JBSA-Lackland Fisher House Executive Director) and Erik Zielinski (Manager South Texas VA Fisher House) on behalf of the financial institutions on JBSA-Lackland AFB.

“We are humbled by the generosity from each on-base institution and AFFN,” Dwayne Hopkins said. “Each year we receive these cards after a year-long effort to raise money for us, and we sincerely appreciate it. We cannot thank their staff and board members enough for their dedicated support.”

The “Thank You” cards can be used at any of the 1.3 million locations worldwide accepting AFFN payments, including Defense Commissary Agency (DeCA) and Army and Air Force Exchange Service (AAFES). The cards function the same as Debit or ATM cards, and will be distributed to military personnel by Fisher House management.

## COMMUNITY CONNECTION

The Harmony School Of Excellence host the Boy Scout Troop # 473, located 2015 SW Loop 410, San Antonio, TX 78227, came to the Lackland Fisher House to donate their popcorn sales to us this year. During their visit, they gave hand painted gifts, cleaned toys in the playroom and sang a Christmas music selection. They understood the importance in giving back to a non-profit; giving a gift of love to our guests and keeping the toys clean and sanitized. They are looking forward to returning to volunteering soon.

## BLESSINGS OF DONATION MANAGEMENT

One of the finest tasks for our staff at Lackland Fisher House is donation management. Not only is the staff blessed with receiving these fortunate donations on behalf of the guests and their families the staff are also blessed with meeting and working with some of the communities greatest and most generous donors.

A really unique donation that the Lackland Fisher House received was a hand-made Fisher House wall clock. One of our Lackland Fisher House past guest was so moved with the Fisher House mission that he hand-carved a wood wall clock with the Fisher House emblem. Other really special donations were Girl Scouts of America #132 who brought in Girl Scout cookies and household items. The girls truly loved the children's play areas bigger than life-size bears.
